

BETTER ADVICE, BETTER LIVES

We offer free, confidential, independent and impartial help and advice on a wide range of problems, some of which may be affecting your health.

If you are registered with Hay-on-Wye or Talgarth Surgeries and would like to talk to someone about:

- Claiming Benefits
- Coping with Debts
- Relationship Breakdown
- Employment
- Housing
- Legal Matters
- Tax Affairs
- Consumer Rights

or anything else, you can ask the Receptionist, your Doctor, Health Visitor, Practice Nurse or any other member of the Primary Health Care Team about how to arrange an appointment with the CAB Adviser who visits Talgarth surgery.
