

## Eye Care Liaison Service

**Are you a Powys resident?**

**Does sight loss affect your daily living,  
or that of someone you care for?**

Contact Keira Brooks, Eye Care  
Liaison Officer (ECLO) for Powys for:

- Information on eye conditions and treatments
- Advice about living with sight loss
- Signposting or referral to other services where help is available
- Details of what practical, emotional and social support is available locally and nationally

An ECLO is the link between the eye clinic and the community and offers support, information and guidance.
