Home Energy Check

**FREE service for people
aged 65+ in Powys**

Home Energy Check – Free service to stay warm & well at home for over-65s in Powys

Who are we?

Age Cymru Powys is your local, independent older people's charity. We provide a free, confidential and impartial service for older people, their families and carers. We're here for you in Powys.

The service embraces our values to help build a society where older people are respected, valued and able to live the life they choose.

How can we help?

The Home Energy Check is a free advice and fitting service helping you to reduce your energy bills.

Our trusted Home Energy Officer will visit your home to check how energy efficient it is.

The Home Energy Officer can fit equipment to increase the energy efficiency of your home and offer practical tips to help you to stay warm and well.

What does the Home Energy Check offer?

Home Energy Assessment

An in-depth conversation with our Home Energy Officer to assess your heating patterns, health needs and home environment.

Energy Advice

Our Home Energy Officer can:

- Provide advice on keeping warm and saving energy
- Support you to access specialist fuel-related help
- Give you key energy-saving information guides
- Refer you to other local services you may find helpful.

Equipment Installation

Our Home Energy Officer can install simple free energy efficiency equipment, such as:

- Draught excluders around doors and windows
- Radiator reflector panels
- Energy-efficient lightbulbs
- Chimney draught excluders
- Water cylinder jacket
- Low-energy night lights
- Cold alarm

Are you ready for winter?

We are 'ON YOUR SIDE' to ensure your home is as warm and energy efficient as possible.
