## Need help with fares?

We have a small pot of money that can be used for temporary financial support to our members. This will cover fares and membership. Our Hardship policy is managed by Liz Hughes, trustee/director.

If you'd like to apply please contact the office. All applications are treated in strict confidence.

## Legacy Gifts

A legacy gift is a specific item or donation left in a will. It's also commonly known as 'gifts in wills'. Legacy gifts are one of the most significant contributions you can make to a cause you care about.

### Leaving Estate to Charity

Leaving a share of your estate to charity is also known as a 'residuary gift'. One of the advantages of leaving a share of your estate to charity is that it doesn't lose value over time, and if you leave a proportion to us, you can still ensure other beneficiaries are provided for first.

### Leaving a Will

Leaving a Will lets you take care of your assets, your loved ones and the causes you care about after you're gone. If a person dies without leaving a valid Will, their assets (or their 'estate') gets shared according to certain rules (called 'intestacy').

To include Hay & District Dial-a-Ride in your will, please ask your solicitor to use our charity and address details below to ensure the gift reaches us.

Hay & District Dial-a-Ride, a registered charity in England and Wales (1152682)

Registered address:

14 Castle Street,

Hay-on-Wye,

Hereford

HR3 5DF

If you'd like to talk to us about a legacy, please get in touch. However we do not provide legal advice and you should always consult a solicitor.

## Another Way to Support Us

Did you know that our supporters can register with Easy Fundraising so that Dial-a-Ride benefits from your online shopping with a small donation at no cost to you?

Last year we raised over £50 just from one person's weekly Tesco orders.

You'll need our charity registration number to sign up - 1152682.

Just scan the QR code for more information and to sign up.

## Prescriptions

Each delivery has to be booked individually as we can't take advance bookings, e.g. every 4th Friday.

You will need to contact us each time to book your delivery, with at least 2 days' notice.

We cannot deliver controlled drugs. Instead, members must book to collect this medication themselves. Normal fares will apply in those circumstances.

## Goodbye and Thank you!

Colin Lavelle, who was a minibus driver, has left Dial-a-Ride to go back to work full time. Thank you Colin, we will miss you!
